First Named Inventor: Jason Lewis

Examiner: E. Peselev

Filed: 11 February 2004

Title: Lincomycin Derivatives Possessing
Antibacterial Activity

Hon. Commissioner for Patents
Via Electronic Filing (EFS)

REQUEST FOR SIGNED AND INITIALED INFORMATION CITATION FORM

Applicants have not received a signed and initialed copy of the Form PTO-1449, citing four documents, included as part of Applicants' Information Disclosure Statement filed 26 January 2005.

Accordingly, a signed and initialed copy of the PTO-1449 is respectfully requested such that the record can more clearly reflect the Patent Office's consideration of all of the art of record.

The Examiner is respectfully invited to contact the undersigned to discuss any issues.

2 Nov 2005

Respectfully submitted,

Frank W Forman
Attorney for Applicants
